Touchstone Energy® Camp counselors are encouraging, patient and can help facilitate successful camp experiences for children with mild and moderate disabilities. However, our programs are not designed for campers who need significant assistance for personal care, require constant one-on-one support, or have great difficulty managing their behavior in group settings. If your child has a special health care need, contact your electric co-op for an evaluation of the camper's care needs. This evaluation will be made by Camp Tecumseh healthcare staff and the Touchstone Energy® Camp Committee. Health conditions requiring advance clearance include, but are not limited to: Insulin Dependent Diabetes, Cardiac Situations, Asthmatics, Seizure Disorders, Autism Spectrum and Serious Food Allergies.
