

BYLAWS OF NORTHEASTERN REMC

The mission of Northeastern Rural Electric Membership Corporation (hereinafter called the "Cooperative") is to meet our members' ongoing need for economical and reliable service that merits the trust and confidence of the public.

ARTICLE I – MEMBERS

Section 1.1 - Qualifications and Obligations. Any person, firm, corporation or body politic may become a member in the Cooperative by:

(a) paying the membership fee specified, except those members on any part of the Larwill distribution system who were taking electric energy at the time of the acquisition of the system from the public utility owning same, if the same is acquired by this Cooperative, and, provided further, that such persons so exempt from paying membership fees shall be exempt only so long as they take electrical energy from this Cooperative at the same meter location they were so taking from said public utility and that they take same continuously and without interruption after the acquisition of said Larwill distribution system, if so acquired;

(b) agreeing to purchase from the Cooperative electric energy as hereinafter specified; and,

(c) agreeing to comply with and be bound by the Articles of Incorporation of the Cooperative and these bylaws and any amendments thereto and such rules and regulations as may from time-to-time be adopted by the board of directors: all as evidenced by the member's execution of the membership agreement (card).

A husband and wife may jointly become a member, and their application for joint membership shall be accepted in accordance with the foregoing provisions of this section, provided that both husband and wife comply jointly with the provisions of the above subdivisions (a), (b) and (c).

Section 1.2 - Membership Fees.

(a) The membership fee shall be \$15; payment of which shall make the member eligible for any number of service connections. This fee shall be refundable after termination of service. No meter deposit shall be paid by a member who has paid such \$15 refundable membership fee, except as provided in Section 1.8 (b) hereafter. The whole or any part of such \$15 fee may be applied, without notice to the depositor, toward payment of delinquent charges for electricity furnished through the meter. Whenever any such member ceases using electricity through the meter for which such fee shall have been paid, he/she shall be repaid the amount of such fee, minus any part thereof applied as aforesaid.

(b) Such \$15 refundable membership fee shall not bear interest.

(c) The refundable membership fees may be used by the Cooperative for any purpose as the board of directors may authorize.

(d) All who were members of the Cooperative before May 1, 1952 who had paid a \$5 non-refundable membership fee, or own premises for which such fee had been paid by any prior owner, and who have a \$10 meter deposit with the Cooperative shall, effective May 1, 1952, be credited with the \$15 refundable membership fee provided for in (a) above, and such \$5 membership fee and \$10 deposit are hereby merged into said refundable membership fee.

(e) Any member who was a member of this Cooperative on May 1, 1952 who had paid a \$5 non-refundable membership fee, or own premises for which such fee had been paid by any prior owner, and who is the holder of a \$10 Certificate of Indebtedness heretofore issued by the Cooperative, may at any time thereafter be credited with the \$15 refundable membership fee provided for under (a) above by delivering said Certificate of Indebtedness for redemption by the Cooperative at a value of \$10, in which event said \$5 membership fee and the \$10 redemption value of said certificate shall be merged into said \$15 refundable membership fee, and so credited upon the books of the Cooperative.

Section 1.3 - Purchase of Electric Energy. Except for any qualified distributed generation facilities, each member shall, as soon as electric energy shall be available, purchase from the Cooperative all electric energy used on the premises referred to in the application of such member for membership, and shall pay therefore monthly at rates which shall from time-to-time be fixed by resolution of the board of directors and approved by the Indiana Utility Regulatory Commission (IURC). Each member shall also pay all obligations which may from time-to-time become due and payable by such member to the Cooperative as and when the same shall become due and payable.

Section 1.4 - Non-Liability for Debts of the Cooperative. The private property of the members of the Cooperative shall be exempt from execution for the debts of the Cooperative, and no members shall be individually liable or responsible for any debts or liabilities of the Cooperative.

Section 1.5 - Term of Membership. Membership in the Cooperative and all rights, privileges and liabilities thereto shall continue as long as the member:

- (a) purchases electric energy from the Cooperative at one of more service connections; and,
- (b) complies with the terms and conditions in respect to membership contained in the bylaws of the Cooperative and any amendments thereto and such rules and regulations which may be adopted from time-to-time by the board of directors. Any member may withdraw from membership upon payment in full of all liabilities of such member to the Cooperative and upon compliance with such terms and conditions as the board of directors may prescribe.

Section 1.6 - Transfer and Termination of Membership.

- (a) Membership in the Cooperative shall not, except as hereinafter otherwise provided, be transferable.
- (b) A membership may be transferred by a member to himself/herself and his/her spouse, as the case may be, by the compliance of such member and his/her spouse jointly with the provisions of subdivisions (b) and (c) of Section 1.1. Such transfer shall be made and recorded on the books of the Cooperative.
- (c) When a membership is held jointly by a husband and wife, upon the death of either, such membership shall be deemed to be held solely by the survivor with the same effect as though such membership had been originally issued solely to him/her as the case may be. Upon recording of such death on the books of the Cooperative, the membership shall be transferred to such survivor; provided, however, that the estate of the deceased shall not be released from any membership debts or liabilities to the Cooperative.
- (d) Any transfer of membership shall not be effective until the transferee shall have complied with the conditions of membership contained in Section 1.1 (b) and (c) of the bylaws.

Section 1.7 - Removal of Directors by Membership. Any member may bring one or more charges for cause against any one or more directors and may request the removal of such director(s) by reason thereof by filing with the secretary such charge(s) in writing together with a petition signed by

not less than 5 (five) percent (5%) of the total membership of the Cooperative which petition calls for a special member meeting, the stated purpose of which shall be to hear and act on such charges and, if one or more directors is recalled, to elect their successor(s). The petition shall specify the place, time and date thereof not less than forty (40) days nor more than seventy (70) days after filing of such petition, or which requests that the matter be acted upon at the subsequent annual member meeting if such meeting will be held no sooner than forty (40) days after the filing of such petition. Each page of the petition shall, in the forepart thereof, state the name(s) and address(es) of the member(s) filing such charge(s), a verbatim statement of such charge(s) and the name(s) of the director(s) against whom such charge(s), is (are) being made. The petition shall be signed by each member in the same name as he/she is billed by the Cooperative and shall state the signatory's address as the same appears on such billings. Verbatim notice of such charge(s), the identity of the director(s) against whom the charge(s) are made, and the purpose of the meeting shall be contained in the notice of the meeting at which the matter will be acted upon; provided, that the notice shall set forth only twenty (20) of the names (in alphabetical order) of the members filing one or more charges if twenty (20) or more members file the same charge(s) against the same director(s). Such director(s) shall be informed in writing of the charge(s) after they have been validly filed and at least twenty (20) days prior to the meeting of the members at which the charge(s) are to be considered. At such meeting the members bringing the charges(s) shall first have the duty to present evidence supporting the charge(s) in person, by calling witnesses, and by counsel, and thereafter the director(s) so charged shall have an opportunity to be heard in person, by witnesses, and by counsel. The question of the removal shall be determined by a vote of the members at such meeting; provided, that the question of the removal of a director shall not be voted upon at all unless some evidence in support of the charge(s) against him/her shall have been presented during the meeting through oral statements, documents or otherwise. If a director is removed from office, the members shall elect a successor by nomination from the floor. A newly elected director shall possess all of the qualifications of a director set forth herein, shall be from the same directorate district as was the director whose office he/she succeeds and shall serve the unexpired portion of the removed director's terms.

Section 1.8 - Meter Deposits.

(a) Each member who has not established a \$15 refundable membership fee with the Cooperative shall retain a meter deposit with the Cooperative in the same amount as he/she had deposited at the time, such refundable membership fees were authorized by these bylaws, except as provided in paragraph (b) of this section.

(b) The President and CEO of this Cooperative shall have the power and authority, whenever he/she deems it necessary for the security of the Cooperative, to require from any member an additional meter deposit not to exceed the maximum amount allowed by IURC Rules and Regulations.

(c) The whole or any part of any deposit may be applied, without prior notice to the depositor, toward the payment of delinquent charges for current furnished through the meter, whenever any depositor ceases using current through the meter for which such deposit shall have been made, he/she shall be repaid the amount of such deposit, minus any part thereof applied as aforesaid.

(d) Such deposits shall be deposited in the general funds of the Cooperative and used for any proper corporate purpose.

(e) The Cooperative shall pay interest on meter deposits pursuant to IURC Rules and Regulations.

Section 1.9 - Right of Member to Hearing on Grievance. Any member who has a complaint arising from any service by the Cooperative to that member who feels his/her complaint is not satisfactorily settled by discussion with the proper operational personnel of the Cooperative, may ask the president and CEO to review the facts of the case. If the member is still not satisfied, he/she may submit a request in writing to the chairperson of the board for an opportunity to present his/her case to the

board. The chairperson shall arrange for the member's appearance before a regular meeting of the board. Following the member's appearance, the board will inform the member in writing of its decision in the case. The board's decision will be final in all cases unless revised or amended by the IURC or by any court with jurisdiction of the issue and the parties.

Section 1.10 – A member may inspect, copy, or receive a copy of the Membership List only as permitted by law, and only upon certification that any use thereof will be limited to use authorized by law, which certification shall be in the form required by the board.

ARTICLE II – MEETING OF MEMBERS

Section 2.1 – Annual Member Meeting. Not later than the 31st day of March of each year, the board of directors shall determine the date of the annual meeting of the members during the inclusive period of September 1 to October 31 of each year. Failure to hold the annual meeting at the designated time shall not work a forfeiture of dissolution of the Cooperative.

Section 2.2 - Special Member Meeting. Special meetings of the members may be called by the chairperson, by the board of directors, or upon a written request signed by at least five percent (5%) of all members; and it shall thereupon be the duty of the secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within the counties of Allen and Whitley, in the state of Indiana, specified in the notice of the special meeting.

If mailed, such notices shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his/her address as it appears on the records of the Cooperative, with postage thereon prepaid. The failure of any member to receive notice of any annual or special meeting of the members shall not invalidate any action which may be taken by the members at any such annual or special meeting.

Section 2.4 - Quorum. A quorum shall be present for the transaction of business at all meetings of the members if at least two percent (2%) of all the members of the Cooperative are present in person at such meeting; provided that, if less than such quorum is present at a meeting, a majority of the members so present may adjourn the meeting from time-to-time without further notice.

Section 2.5 - Voting. Each member shall be entitled to one vote and not more upon each matter submitted to a vote at a meeting of the members. On the issue of sale, lease, or otherwise disposing of all, or substantially all, the property of the Cooperative, the resolution must receive the affirmative vote of at least a majority of all the members of the Cooperative. On all other issues, a majority of those members who are voting at any regular meeting, or any special meeting of the members called for that purpose, shall be necessary for the taking of any action, adopting any resolution, or the election of any directors, except as otherwise provided by the law, the Articles of Incorporation or by these bylaws; provided, if more than two persons are running for election as director from the same district, the person receiving the most votes shall be elected. Drawing by lots shall resolve, when necessary, any tie votes. If a husband and wife hold a joint membership, they shall jointly be entitled to one vote and not more upon each matter submitted to a vote at a meeting of the members.

Section 2.6 - Order of Business. The order of business at the annual meeting of the members, and so far as possible at all other meetings of the members, shall be essentially as follows:

The board of directors shall, at least ten (10) days before any election of directors, appoint a Credentials and Election Committee existing of not less than six (6) nor more than twelve (12) members who are not existing Cooperative employees, agents, officers, directors, or candidates for directors, and who are not close relatives (as defined in Section 3.3 (c) or members of the same household of existing Cooperative employees, agents, officers, directors or candidates for director. In appointing the committee, the board shall have regard for the equitable representation of the several areas served by the Cooperative. The committee shall elect its own chairperson and secretary prior to the election. It shall be the responsibility of the committee to establish or approve the manner of conducting the balloting, to pass upon all questions that may arise with respect to the member eligibility to cast a ballot, to count all ballots, to rule upon the effect of any irregular or indecisively cast ballot, or rule upon all other questions that may arise relating to member voting and the election of directors (including, but not limited to, the validity of petitions of nomination or the qualifications of candidates and the regularity of nomination and election of directors), and to pass upon any protest or objection filed with respect to any election or conduct affecting the results of any election. In the event a protest or objection is filed concerning any election, such protest or objection must be filed within three (3) business days following the election. The committee shall thereupon be reconvened, upon notice from its chairperson, not less than seven (7) days after such protest or objection is filed. The committee shall hear such evidence as is presented by the protestor(s) or objector(s), who may be heard in person, by counsel, or both, and any opposing evidence; and the committee, by a vote of a majority of those present and voting, shall, within a reasonable time, but not later than thirty (30) days after such hearing, render its decision, the result of which may be to affirm the election, to change the outcome thereof, or to set it aside. (b) No member shall be eligible to become or remain a director or to hold any position of trust in the Cooperative who is not a bona fide resident of any area served by the Cooperative, or who is in any way employed by or financially interested in a competing enterprise, or a business selling electric energy or supplies to the Cooperative. The above phrase – – “A business selling supplies to the Cooperative” does not include a business from which the Cooperative purchases supplies from time-to-time where purchases involve less than \$500 each, or to a service-type business engaged in servicing and/or repairing the Cooperative’s equipment where such repair expense does not exceed \$500 on any particular item of equipment at one time.

(c) No member shall be eligible for nomination as a candidate or election as a director, or to serve as a director of the Cooperative, if any employee of the Cooperative is related to the member in a manner that would hinder the member in exercising fair and independent judgment as a director in the affairs of the Cooperative, specific relationships representing a conflict of interest include, but are not limited to, the spouse of such prospective director, any child of such prospective director, any

grandchild of such prospective director, any child, grandchild, parent, brother or sister of the prospective director's spouse, or the spouse of any other of the above named people.

Specific relationships representing a conflict of interest include but are not limited to, the spouse of such director, any child of such director, any grandchild of such director, a parent of such director, any brother or sister of such director, any child, grandchild, parent or brother or sister of the director's spouse, or the spouse of any of the above named people.

Nothing in this section contained shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the board of directors.

No director shall be nominated from or elected to represent, or continue to serve as a director of the district which he/she represents unless he/she is a resident of that district as defined by the general election laws of the State of Indiana.

In addition to the other requirements for eligibility set forth herein, commencing with the Director election in 2010 and thereafter, any Director elected to the Board of Directors who has not previously served as a Director of the Cooperative shall obtain the status of Credentialed Cooperative Director (CCD) through the educational program sponsored by the National Rural Electric Cooperative Association (NRECA), or any similar successor educational program approved by the Northeastern REMC Board of Directors, before the end of such Director's first three year term. A Director failing to acquire such certification shall be ineligible for re-election to the Board of Directors, unless due to the occurrence of an exigent circumstance beyond the control of such Director, he or she shall have failed to complete the course of study necessary to obtain the certification, but has no more than one (1) course remaining to attain certification. Each year, not less than one hundred twenty (120) days before the date of the meeting of the members, it shall be the duty of the board of directors to appoint a committee on nominations consisting of no less than six (6) nor more than twelve (12) members, who shall be residents of the districts electing directors at the annual meeting that year with an equal number of nominating committee members from each such district. However, if in any year there exists a vacant director district for which a new director is being elected, the Board of Directors shall select two (2) additional nominating committee members from the other districts whose directors are standing for election, instead of appointing nominating committee members from the vacant district. No officer or member of the board of directors shall be appointed a member of such committee, and no such appointee shall be eligible to stand for election as a Director at such annual meeting. In addition to the other qualifications for a director, the nominating committee shall not select any nominee who is a spouse, parent, descendant, or brother or sister of a member of that nominating committee. At least seventy-five (75) days before the meeting such committee shall prepare and post at the principal office of the Cooperative a list of nominations for director consisting of at least one or

more nominee(s) from each district in which the present director's term has expired. In case any committee person shall resign or fail to act, the remaining committee persons, not less than a majority of the number originally appointed, shall make such nominations. Any fifty (50) or more members shall make other nominations in writing over their signatures not less than sixty (60) days prior to the meeting, and the secretary shall post the same at the same place where the list of nominations made by the committee is posted noting that such candidate(s) has been nominated by Petition. The secretary shall send to each member at least ten (10) days before the meeting a statement of the number of directors to be elected and showing separately the nominations made by the petition, if any.

(c) Nominations Following Removal of Director. The members may, at any meeting at which a director or directors shall be removed, as hereinabove provided, elect a successor thereto without compliance with the foregoing provisions with respect to nominations.

Notwithstanding anything in section 3.3 contained, failure to comply with any of the provisions of this section 3.4 shall not affect in any manner whatsoever the validity of any election of directors.

Nominations as provided in this section 3.4 shall be the exclusive method for the nomination of directors, and nominations from the floor are specifically prohibited.

Section 3.5 - Director Terms. At each annual meeting there shall be elected directors to succeed all directors whose terms of office shall expire or shall have expired at the time of holding such election. All directors elected shall serve for the term of three (3) years or until their successors are elected and qualified, subject to the provisions of these bylaws with respect to the removal of directors.

Section 3.6 - Vacancies. Subject to the provisions of these bylaws with respect to removal of directors, vacancies occurring on the board of directors may, at the discretion of the board, be filled in accordance with State statutes and NREMC policies; and directors thus selected shall serve the unexpired term of the director whom he/she replaces.

Section 3.7 - Director Compensation.

(a) A director shall not receive any salary as such for their services, but by resolution of the board of directors, may be paid for attendance at each meeting of the board of directors. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed with postage thereon prepaid. The attendance of a director in person or by telecommunication at any meeting shall constitute waiver of notice of such meeting, except when a director shall attend a meeting for the express purpose of objecting to the transaction of any business because the meeting shall not have been lawfully called or convened.

Section 4.4 - Quorum. A majority of the board of directors shall constitute a quorum for the transaction of business at any meeting of the board of directors; provided that if less than a majority of the directors are present at said meeting, a majority of directors present may adjourn the meeting from time-to-time without further notice.

Such charge shall be delivered to the Chairperson of the Board, or the Vice Chairperson if the allegations pertain to the Chairperson. Such officer shall direct the matter to be included as an agenda item at the next regular meeting of the Board in the event such meeting date shall be more than ten (10) days following the delivery of the charge, or at a special meeting of the Board to be held not less than seven (7) days or more than fifteen (15) days following the next regular meeting if the charge is delivered within ten (10) days of such regular meeting date.

At the meeting, the Board of Directors shall consider the evidence supporting the charge and any defense thereto made by the Director charged, or a representative of his/her choosing. Following the submission of such proof and any defense, the Board of Directors shall consider and vote on the removal of the Director so charged in an Executive Session. Such officer shall devote his/her full time to the business of this Cooperative and shall be compensated for his/her services to the Cooperative in such amounts as may be fixed by the board of directors from time-to-time. Such officer shall not be required to be a member of the Cooperative. Such officer shall perform such duties as the board of directors may from time-to-time require of him/her and shall have such authority as the board of directors may from time-to-time vest in him/her. Section 6.3 - Deposits. All funds of the Cooperative shall be deposited from time-to-time to the credit of the Cooperative and in such financial institutions as the board of directors may select.

ARTICLE VII – NON-PROFIT OPERATION

Section 7.1 - Interest or Dividends on Capital Prohibited. The Cooperative shall, at all times, be operated on a cooperative, non-profit basis for the mutual benefit of its members. No interest or dividends shall be paid or payable by the Cooperative on any patronage capital furnished by the patron.

Section 7.2 - Patronage Capital.

(a) The Cooperative's operation shall be so conducted that all patrons (members) will, through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a cooperative, non-profit basis, the Cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obligated to allocate credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Cooperative shall, within a reasonable time after the close of the fiscal year, notify each patron of the amount of his/her capital so credited to his/her account.

(b) All other amounts received by the Cooperative from its operation in excess of costs and expenses shall, insofar as permitted by law, be (1) used to offset any losses incurred during the current or any prior fiscal year, and (2) to the extent not needed for that purpose, allocated to its patrons on a patronage basis and any amount so allocated shall be included as part of the capital credited to the accounts of patrons, as herein provided.

(c) All such amounts credited to the capital account of any patron shall have the same status as though they have been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts of capital.

(d) In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis. If, at any time prior to dissolution or liquidation, the board of directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patron's accounts may be retired in full or in part. The board of directors shall determine the method, basis, priority and order of retirement, if any, for all amounts furnished as capital.

(e) Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or to the patron and his/her spouse with right of survivorship, unless the board of directors, acting under policies of general application shall determine otherwise.

(f) In case of the death of any person who has furnished such capital credited to his/her account, such credit shall be transferred upon the books of the Cooperative only upon the filing with the Cooperative of a proper assignment by the legal representative of his/her estate or his/her heirs-at-law or legatees in accordance with such policy and procedures as are adopted by the board of directors.

(g) It is the duty of every patron and of every person who has such capital credited to his/her account to cause the records of the Cooperative at all times to show his/her proper mailing address. At such time as retirement of capital is directed by the board of directors as provided herein, a check shall be mailed to the mailing address of each such persons as shown on the records of the Cooperative or to any agent designated. All checks returned to the Cooperative as not delivered shall be recovered by the Cooperative pursuant to Indiana Code 8-1-13-11(14) and Indiana Code 8-1-13-17.

(h) The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and bylaws shall constitute and be a contract between the Cooperative and each person; and both the Cooperative and the patrons and their successors in interest are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions.

(i) No payment of capital credited to any member shall be paid to such member when the member owes any delinquent obligation to the Cooperative if the legal principals of set-off or recoupment permit the Cooperative to retain such.

ARTICLE VIII – DISPOSITION OF PROPERTY

Section 8.1 - Dispositions and Pledging of Property. Not inconsistent with the provisions of Indiana Code Section 8-1-13-12, the members of the Cooperative may, subject to approval of the IURC, at a duly held meeting of the members, authorize the sale, lease, lease-sale, exchange, transfer, mortgage, pledge or other disposition of all or substantially all of the Cooperative's property and assets by the affirmative votes of a majority of the total members of the Cooperative. However, the board of directors, without authorization by the members, shall have full power and authority (1) to borrow monies from any source and in such amounts as the board may from time-to-time determine, (2) to issue the Cooperative's obligations evidencing such borrowing, and (3) to mortgage or otherwise pledge to encumber any or all of the Cooperative's property or assets as security therefor. The board shall also have full power and authority, without requirement of any member authorization or Commission approval, to sell, lease, lease-sale, exchange, transfer or otherwise dispose of merchandise, or of property no longer necessary or useful for the operation of the Cooperative, or of less than substantially all of the Corporation's property and assets.

Section 8.2 - Procedure Upon Disposition of Cooperative Property. Supplemental to Section 8.1 and any other applicable provisions of laws or these bylaws, no sale, lease, lease-sale, exchange, transfer or other disposition of all or substantially all of the Cooperative's property and assets shall be authorized except in conformity with the following:

(a) If the board of directors looks with favor upon any proposal for such sale, lease, lease-sale, exchange, transfer or other disposition, it shall first cause three (3) independent, non-affiliated appraisers, expert in such matters, to render their individual opinions as to the value of the Cooperative with respect to such a sale, lease, lease-sale, exchange, transfer or other disposition and

as to any other terms and conditions which should be considered. The three (3) such appraisers shall be designated by the Whitley County Circuit Court Judge. If such judge refuses to make such designations, they shall be made by the board of directors.

(b) If the board of directors, after receiving such appraisals (and other terms and conditions which are submitted, if any), determine that the proposal should be submitted for consideration by the members, it shall first give every other rural electric cooperative corporately sited and operating in Indiana (which has not made such an offer for such sale, lease, lease-sale, exchange, transfer or other disposition), an opportunity to submit competing proposals. Such opportunity shall be in the form of a written notice to such rural electric cooperatives, which notice shall be attached to a copy of the proposal which the Cooperative has already received and copies of the respective reports of the three (3) appraisers. Such rural electric cooperatives shall be given not less than thirty (30) days during which to submit competing proposals, and the actual minimum period within which proposals are to be submitted shall be stated in the written notice to them.

(c) If the board then determines that favorable consideration should be given to the initial or any subsequent proposal which has been submitted to it, it shall so notify the members not less than sixty (60) days before noticing a special meeting of the members thereon or, if such be the case, the next annual member meeting, expressing in detail each of any such proposals, and shall call a special meeting of the members for consideration thereof and action thereon, which meeting shall be held not less than thirty (30) days after the giving of notice thereof to the members; provided that consideration and action by the members may be given at the next annual meeting if the board so determines and if such annual meeting is held not less than thirty (30) days after the giving of notice of such meeting.

(d) Any fifty (50) or more members, by so petitioning the board not less than thirty (30) days prior to the date of such special or annual meeting may cause the Cooperative with the cost to be borne by the Cooperative, to mail to all members any opposing or alternative positions which they may have to the proposals that have been submitted or any recommendations that the board has made. The provisions of this Section 2 shall not apply to a sale, lease, lease-sale, exchange, transfer or other disposition to one or more other rural electric cooperatives if the substantive or actual legal effect thereof is to merge or consolidate with such other one or more rural electric cooperative.

ARTICLE IX – MEMBERSHIP IN OTHER ORGANIZATIONS
