

APPENDIX D

MISCELLANEOUS CREDITS

APPLICABLE TO ALL RATES

(ELIGIBLE EXISTING CUSTOMERS ONLY)

LOAD MANAGEMENT SWITCH CREDITS

Electric Water Heaters

For existing customers of the REMC with electric water heaters who are participating in the REMC Load Management Switch Program.

A credit of one dollar and fifty cents (\$1.50) per switch will be applied to each monthly electric bill. The credit amount will be shown separately on the bill. The credit will not apply to temporary services or a fraction of a month.

Central Air Conditioners

For existing customers of the REMC with central air conditioners who are participating in the REMC Load management Switch Program.

A credit of one dollar and fifty cents (\$1.50) per switch will be applied to each monthly electric bill. The credit amount will be shown separately on the bill. The credit will not apply to temporary services or a fraction of a month.
