

APPENDIX A
RATE ADJUSTMENTS

RATE ADJUSTMENTS

(Applicable to Rates 10-1, PRS-1, NB-1, 30-8, 30-9, 40-0, and 50-0)

1. A Purchased Power Cost Adjustment Tracking Factor shall apply to service under these schedules. The rate adjustment for Northeastern REMC (Northeastern) shall be on the basis of a Purchased Power Cost Adjustment Tracking Factor, occasioned solely by the changes in the cost of purchased power as follows:

Rate adjustment applicable to the above listed rate schedules is (\$.005693).

2. A PJM charge shall apply to service under these schedules. PJM is a regional transmission organization that coordinates the movement of wholesale electricity. Northeastern and other Indiana electric utilities are required to belong to a regional transmission organization. This charge helps cover the cost of this mandated participation.

Rate adjustment applicable to the above listed rate schedules is \$0.0119
